Web Participant access:	Join as GUEST
Audio, USA /Canada (toll free):	1-855-747-8824
Audio, Toll	1-719-325-2630
Audio Guest Passcode:	276 911 7588

**Draft Agenda:**

1. June 02 Agenda Review, Update
2. Review May 19 Meeting Minutes
3. Action Items from May 19 Minutes:
  - Work Streams 3, 4:
    - Identify list of views, queries, reports, or displays (e.g., ICD, levels/scope of Interfaces, etc.) that we should pursue as interface-related, against related ISO 15288/15289 or other frameworks. (Frank, Jason, Jon)
  - Work Stream 1:
    - Resolve meaning of the “NA’s” in S\*Metamodel Mapping Document detail table for Magic Draw, and what action is required, if any. (Stephen, Jason)
    - Identify list of remaining mapping issues for mapping to SysML/Magic Draw, in the Interface area of S\*Metamodel. (Jon, Jason)
  - Work Stream 6:
    - Update profile provided to Jon, accordingly (Stephen, Jason)
4. Project Work Streams, Tasks, potential assignments, schedule (see slide list, May 19 minutes)
5. Resolve (at least temporarily) questions on metamodel interface area (Bill, Jon, Jason).
6. Tooling and repository support for project
7. Potential activities in connection with IS2017, GLRC2017, IW2018
8. Plans for next activities:
  - a. Next meeting date/time
  - b. Actions before we meet next
  - c. Activities when we meet next
9. Other Subjects
